It's Winter on the Lakes!

The snow has arrived, the lake is freezing over and that means that WINTER FUN HAS BEGUN. It also means that the CLBA Board is once again busy at work on projects that will make our summer months even better!

For current slip holders...

There is a waitlist for boat slips for the 2021 season. Your boat must be in the water by Father's Day 2021 in order to guarantee your reserved slip.

Important Watercraft Launch Project Update

To enhance the usability of the watercraft launch, a winter construction project will be undertaken. With this in mind, the watercraft launch will be CLOSED to all traffic (boats, four wheel off road type vehicles, snowmobiles, etc.) from January 1st through March 31st. Apologies for any inconvenience.

Thanks to John Feld for all his work on getting this much needed project going.

Please note...All unpaid association dues as of December 31, 2020 are considered delinquent and a late charge will be added to your balance. In addition, liens will be served if you are in serious arrears.

Please note: There is absolutely no parking allowed on streets, particularly during the winter months, as the township is responsible for plowing the streets.

Thanks to Linda Ryan and Maria de Caussin for stepping up to join the Channel Lake Bluffs Board. And a special shout out to Christine Ryder for doing "double duty" during the winter months. The CLBA can only stay productive if we have committed and hard working board members.
