Welcome Spring!

The frozen lake has melted, there are boats and wave runners already enjoying the lake, and here in our little neighborhood, our newly renovated BOAT LAUNCH is ready for summer fun.

CLBA will be celebrating it's 100th birthday this year. If anyone has pictures they would like to share from over the years, particularly from "the old days", we will put them up on our website. Contact the CLBA.

Important Watercraft Launch Project Update

It's ready to use!

Thanks to John Feld for all his work on getting this much needed project completed

For current slip holder, remember

There is a waitlist for boat slips for the 2021 season. Your boat must be in the water by Father's Day 2021 in order to guarantee your reserved slip.

Over the last year, we have added new swings, picnic tables and benches to the beach area. The swing set has been painted and the common area is ready for some good family fun. It's a great place to enjoy family gatherings and make great summer memories.
